WORK EXPERIENCE

WeDesignTech Private Limited

Coimbatore, Tamil Nadu, India

Senior Shopify Developer *Dec 2025 – Present*

- Lead end-to-end Shopify store development and theme customization using Liquid, HTML, CSS, and JavaScript for diverse eCommerce clients.
- Architect and implement custom Shopify sections, blocks, snippets, JSON templates, and theme schema settings to meet complex business requirements.
- Optimize store performance including page load speed, Core Web Vitals, and accessibility for improved SEO and user engagement.
- Mentor junior developers and conduct code reviews to maintain high-quality development standards.
- Collaborate with design and product teams to translate wireframes into fully functional, responsive Shopify storefronts.

Junior Shopify Developer

Nov 2023 – Nov 2025

- Developed and customized Shopify Online Store 2.0 themes using Liquid, HTML, CSS, and JavaScript, including reusable sections, blocks, snippets, JSON templates, and responsive storefront interfaces.

- Diagnosed and resolved website bugs and performance issues, improving page load speed and overall store functionality.
- Worked with Shopify Theme Store requirements and development best practices, maintaining clean, scalable, accessible, and merchant-configurable theme architecture.
- Integrated third-party apps and APIs to extend store functionality as per client requirements.

PROJECTS

Lollipop 2.0 – Shopify Theme Store Published Theme

- Designed and developed the Lollipop theme, a production-ready Shopify theme published on the official Shopify Theme Store, built to meet Shopify's strict review and quality standards.
- Implemented conversion-focused layouts with customizable homepage sections, product pages, and collection templates tailored for diverse eCommerce niches.
- Technologies: Liquid, HTML5, CSS3, JavaScript, Online Store 2.0, JSON Templates, Sections & Blocks, Shopify Theme Store Guidelines

Elegance 2.0 – Shopify Theme Store Published Theme

- Developed Elegance 2.0, an upgraded version of a premium Shopify theme published on the Shopify Theme Store, featuring a refined UI and enhanced merchant customization capabilities.
- Rebuilt and optimized theme architecture for version 2.0, incorporating improved performance, accessibility enhancements, and updated design patterns consistent with modern eCommerce UX standards.
- Technologies: Liquid, HTML5, CSS3, JavaScript, Online Store 2.0, JSON Templates, Sections & Blocks, Shopify Theme Store Guidelines, Version Upgrade Engineering
